## First Day of Practice Completed

The first day of practice began shortly after 10:00 a.m. with approximately 364 cars. There were no serious incidents and the children did a great job both on and off the track.

We completed 1 round of practice and began a 2<sup>nd</sup> round which we will complete today. We will also try to get in a 3<sup>rd</sup> round of practice.

All cars must come into the staging area in qualifying order and be ready to take the track. If you miss your group you will miss your practice session.
